## ABOUT ATTENDANCE AREA SCHOOLS

Attendance area schools each have a unique learning environment that is defined by the characteristics of the communities that they serve. The local communities accent the learning opportunities at an attendance area school and play a significant role in school accomplishments.

The communities that an attendance area school serves are established through an attendance area. An attendance area is a geographic area surrounding the school. Attendance areas optimize enrollment at each attendance area school.

**Families who live outside District 279 are not assigned to an attendance area school, therefore, they must apply to attend any attendance area school through an Open Enrollment (Non-resident) Application.**

## TRANSPORTATION

When students are approved to attend a school outside of their assigned attendance area school, transportation is the responsibility of the biological parent/legal guardian. However, transportation may be provided from an existing bus stop that serves the approved school under the following conditions:

1. The student registers for bus service each school year and is approved to use an existing bus stop.
2. Space is available on existing bus routes.
3. Biological parents/legal guardians accept ultimate responsibility for ensuring that their student can get safely to and from the assigned bus stop.

Note: Existing bus stops are located within each school's attendance area and are not guaranteed to be in a convenient location for your student. From time to time, enrollments change, bus routes change, and available seats on bus routes change.

**Consider your options carefully if your student is dependent upon District transportation to attend school.**

# TO BEGIN THE APPLICATION PROCESS, PLEASE FOLLOW THESE STEPS:

**1** Determine your resident district by using the **DISTRICT MAP** at [www.district279.org](http://www.district279.org), or by contacting the Enrollment Center at (763) 585-7350 or [enrollmentcenter@district279.org](mailto:enrollmentcenter@district279.org). *If your address is within District 279, please apply through an In-District Transfer Application.*

**2** Select the schools that you are interested in. **A list of the District 279 attendance area schools is included on the next page.** Choices will be considered in the order that they are listed on your application.

**3** Finally, complete the Open Enrollment (non-resident) Application attached to this packet. An application must be completed for each student who wishes to attend an alternate attendance area school. **To have the best chance of acceptance to your school(s) of choice, please submit your application to the Enrollment Center by JANUARY 15, 2021.**
